Advanced Output Management for Oracle EBS

Print Anywhere...

Unitask Output Management solutions for the Oracle E-Business Suite provide the most advanced and cost effective Output solutions available in the world today. Designed to address the timely & expensive demands organizations face when setting up, maintaining and supporting printers in the Oracle E-Business Suite, Unitask Output Director allows for a virtualized Print anywhere, Print anytime, on any printer. Welcome to the world of efficient and affordable Output Management!

Do More...

Introducing "Simplicity" for the complex world of Oracle printing. Unitask Output Director eliminates printing configuration challenges with "Plug-n-Play" simplicity, allowing you to do more than you ever imagined, all while delivering an ROI measured in months – not years. Unitask gives you freedom to do more!

- **Centralized** - Command and control for all of your output.
- **Virtualized printing** – Print to any printer, anywhere, anytime.
- **Saves Money** – Eliminates redundant purchases for Oracle specific printers.
- **Eliminates Burden**- Reduces printer support requirements.
- **Optimize Project Schedules** – Never configure a printer again!
- **Empower Users** - Point and click control for viewing & emailing output.
- **Transparency**- A seamless integration without changing the way users work.
- **Enhanced Security** – Configure sensitive output to specific printers.

Pay Less...

At Unitask, it's all about U! We believe it takes more than just advanced solutions to be successful; it takes a whole new way of doing business. While others merely offer software packages, Unitask provides a complete Output Management strategy that is economical and ensures your success. Our only focus is Oracle EBS, which means we've solved the most common print and output management problems, while finding ways to offer you unmatched capabilities through service, support, technology and value.

So whether the need is for solutions effecting one printer or the entire enterprise, in-house or out of the country, Output Director by Unitask provides cost effective solutions that fit the immediate, the long term and the strategic. After all, what good is a solution if you can't afford to use it?

Unitask Software...it's all about U!

Simplify. Automate. Control. *Achieve.*

“Unitask’s product allowed us to send to whichever printer we desired, saving us not only time and maintenance efforts, it saved us a lot of money.”

- Preston Price, DBA
American Medical Response

Unitask... Affordable Software to make the Oracle E-Business Suite EASY!
